CONNECTING YOU TO THE BEST OF MONTEBELLO

Nestled on the north shore of the Ottawa River between Canada's capital and Montréal, Fairmont Le Château Montebello is not only the world's largest log cabin, it's also a resort unlike any other. Our hotel was founded originally as a private club in 1930, and we continue to embrace and evoke centuries of rustic Québécois tradition amid the splendour of the Canadian wilderness—complete with the welcoming comfort of our massive lobby fireplace.

We invite you to visit at any time: four seasons of fun—including golf, canoeing and fishing in summer, as well as snowmobiling, dogsledding and curling in winter—welcome you in an atmosphere of exceptional hospitality and warmth, fuelled by some of our province's finest cuisine.

CHOOSE YOUR ROOM

Enjoy the rustic elegance of each of our chalet-inspired 211 guest rooms, where modern amenities coexist with the wilderness just outside your window.
